AUBURN ROTARY
VIRGIL R. TRAYNOR, DVM
ANIMAL SCIENCE ACADEMIC AWARD
2019 SCHOLARSHIP APPLICATION
(Application Deadline: Thursday, April 4, 2019 by Noon)

This scholarship will be awarded to a top academic student who has challenged themselves in high level classes (AP/Honors) and has designated an academic tract of Pre-Veterinary Medicine. Majors may include Animal Science (preferred), Biological Science or Life Science. The student recipient shall exemplify leadership, community service in their selected field.

You may answer each question by attaching a TYPED written response to this application. All questions must be answered.

1. LIST SIGNIFICANT HIGH SCHOOL ACTIVITIES: Projects, activities, organizations, leadership roles, awards, honors, etc. since you entered high school.
2. LIST SIGNIFICANT COMMUNITY ACTIVITIES OR INTERNSHIPS YOU HAVE PARTICIPATED IN DURING HIGH SCHOOL. Include recognizing and meeting community need, participation and innovative contributions to community activities that may extend beyond your community, etc. Include service to others and estimate your total community hours served since entering high school.
3. Which science career path interests you, (i.e. small animal, large animal, life, biological, research) and what experiences, employment, have directed you in this direction?
4. Provide additional information about yourself that would assist the ROTARY SCHOLARSHIP COMMITTEE with it's decision.
5. Tell us what you know about the Rotary Club of Auburn. Use specific examples of local projects.
6. Explain how/why you have selected your chosen vocation. Include your future schooling/training for preparation for your career.
7. Enclose a copy of your unofficial transcript.
